

Capability Statement

Core Competencies

Techesive delivers excellence by providing an experienced, pragmatic, and meticulous approach to IT Professional Services for managing Enterprise systems and services, such as:

- Enterprise Content Management (ECM)
- Customer Relationship Management (CRM)
- Enterprise Resource Planning (ERP)
- Governance, Risk Management, & Compliance (GRC)
- Enterprise Integration Services (EIS)

Partners

Past Performance

Dept. of Transportation (DOT): Provided federal safety authority modals PHMSA and NHTSA with migrations to ECM platforms that aggregated and centralized repositories of over 2.4 million content items and records.

CenterPoint Energy (CNP): Developed and enhanced site UI for over 6 million CNP customers on its public websites via an updated ECM/Portal platform solution. Reduced latency issues for CRM, ERP, and RIM systems, vastly improving data input efficiency for thousands of employees.

Invesco (IVZ): Implemented EAI and SDLC services which allowed Invesco to ensure a consistent rebranding effort (from AIM to Invesco) during their recent ECM, CRM, and Portal platform upgrades.

Dynamic Rental Systems (DRS): Delivered IT infrastructure upgrades to Baytown facilities that provided greater transparency and security when performing ERP and financial data transfers to DRS headquarters. Designed and deployed new site layouts and application features for DRS and OSI websites.

Differentiators

Experience: Founded in 2012, Techesive is a minority owned small business headquartered in San Antonio, TX. Our team has over 20 years of experience in the IT field (10 years consulting), in both the public and private sectors, and is comprised of certified professionals, such as:

- CISSP
- HIMSS
- TOGAF

Innovation: Techesive has a keen sense of problem solving, planning and leadership capabilities. This has ultimately led to highly organized, maintainable, and successfully aligned business and IT platforms with extremely satisfied customers and recognized innovative industry awards, such as:

- SAP Utility of the Year (2014 & 2015)
- SAP Top Innovation (2014 & 2015)

Performance: Techesive has received excellent ratings from both public and private sector clients. We are a trusted and reliable business partner with an extremely high rate (96%) of repeat clients. This superior level of performance is due to our focus on client IT needs and their future business endeavors.
